## Consent for Treatment

Patient Name

Date

Time (am/pm)

I hereby give my consent and authorize Fenway Health to treat any medical or mental health condition providing that the care provider has explained my condition to me, the treatment procedures and alternative methods of treating my condition. The care provider has discussed with me foreseeable risks of the above stated treatment and that there may be undesirable results.

I authorize the care provider to perform any additional or different treatment, which is thought necessary should, during treatment, a condition be discovered which was not known previously.

I understand that Fenway Health operates a primary care practice that integrates behavioral health services, which means behavioral health staff are part of my medical team and experience, and that being seen by a behavioral health provider through primary care may result in additional charges to my insurance. This may also result in an additional copayment or coinsurance. I acknowledge that in cases of insufficient coverage, I will be held responsible for the remaining balance.

I have carefully read and fully understand this Informed Consent Form and all of my questions have been adequately answered.

## Treatment, Payment and Data Agreement

- I authorize examination and treatment for this and all following medical or mental health visits.
- I understand I am personally responsible for all charges and deductibles. Financial assistance is available for those who qualify, including a sliding scale fee program.
- I am personally responsible for providing accurate and current insurance information.
- I authorize a photocopy of this statement to serve as the original and the use of this signature on all insurance submissions.
- I authorize release of all information necessary to secure payments of benefits.
- I consent to Fenway Health sending me one or more messages per day related to my health care. I understand data usage costs may apply based on my mobile carrier plan.
- I understand that Fenway Health may use data developed for and/or provided by clients to determine general characteristics of the communities it serves and that none of this information will in any way identify individual clients.
- I authorize the use of ambient listening technology during my visits to assist in the completion of medical documentation. If at any time I do not consent to the use of this technology, I will inform my provider at the beginning of the visit.

I certify that the above information is true and correct. I have received a copy of Fenway's Notice of Privacy Practices (HIPAA) and Patient Rights and Responsibilities. Patient's name used, if different from chart.
