

FENWAY HEALTH

History of TDOV

International Transgender Day of Visibility was founded by activist Rachel Crandall in 2009.

Support Trans Youth

Transgender and gender-diverse youth face significant challenges in today's political environment.

Educate Others

Raising awareness combats stereotypes and misinformation about transgender individuals and their experiences.

Celebrating Transgender Day of Visibility 2025

March 31 celebrates transgender individuals' achievements and resilience globally.

Visibility Matters

Showing visible and vocal support empowers transgender individuals and affirms their identities in challenging political contexts.

Community Solidarity

Supporting transgender rights benefits equality and freedom for everyone.

Share Your Story

If comfortable, sharing personal experiences fosters understanding and connection within communities.
